# FROM THE PASTOR

Pastor Christopher Liberati  
[ChristopherL@WilloughbyUMC.org](mailto:ChristopherL@WilloughbyUMC.org)  
440.942.9068

Jorge Acevedo writes, “Advent is here. These weeks leading to Christmas are a season intended to help us prepare for Jesus’ birth. The word *advent* actually means ‘arrival’ or ‘coming.’ Yet Jesus’ birth is more than a one-time occurrence. How? Every Christmas has within it the possibility of Jesus being born again in our lives and in our world. Historically Jesus’ birth happened once, but spiritually his birth can happen anew for us today.”

Advent at its core, trusts that Christ still comes to interrupt the busyness, the loneliness, the boredom, the mess and even the plans of people. Through this holy interruption, “The Gift of Hope” is delivered, a Savior is born, and our faith is renewed. During this season of waiting or better yet anticipating, we have the unique opportunity to prepare our hearts not only to receive but to give as well.

There is much to be excited about during the Advent season this year. See for yourself, as you take a look at our calendar, which invites all to join in as we *Celebrate Advent 2019*. Not only are there ways to prepare our hearts to receive “The Gift of Hope,” but there are also plenty of opportunities to be a part of the movement of God through serving. Imagine being used by God to be the delivery person of “The Gift of Hope.” Amazon Prime can’t deliver what you can deliver!

How will you prepare to receive “The Gift of Hope” this Advent season? How are you prepared to give “The Gift of Hope” this Advent season?

Anticipating and Participating,  
Pastor Christopher

### A special Christmas Service of Hope

This is a special service on Thursday, December 19, which we call the Longest Night Service because it is especially designed for those of us who may struggle with having a Christmas this year that is NOT so merry and jolly. If you have experienced a loss — of a job, your good health, a relationship, a dream, or a loved one -- you already know all about long nights. Thursday, December 19, is two days before the longest night of the year. It's nearly Christmas and those who are experiencing loss may really relate to very long nights.

Bringing a loved one who is struggling with loss may be the best gift you could give them this Christmas!

# Advent Gift of Hope

Jesus was **SENT** into the world to **SEND** us to be his hands and feet to our community. During this Advent Season we will have an opportunity to give back to help feed people in our community. Funds raised will go toward Wednesday Night Dinner, Christmas Dinner and delivering of meals to shut-ins. Additionally you can participate in the Reverse Advent Calendar (see page 4).

**\$2 = 1 meal**

**\$20 = 10 meals**

**\$200 = 100 meals**

Donations can be placed in blue envelopes (available in pews and at hospitality desks) and turned in during offerings, or put in "Gift of Hope" donation boxes. Our goal is to raise funds for 10,000 meals. Watch as the gift tree grows every week - each box/bag will represent 100 meals raised.

## A Gift of Hope

*with "So Send I You"*

A gift of hope, sent from above. Born as a babe, a gift of love.  
Out of your love you paid the price and made a willing sacrifice.  
As the father as sent you, Jesus send me too.

## Missions & Social Concerns

Happy December to all at a busy time of year for you, your church and this committee!

Thanks to your financial support, we are able to provide a second water well to the people of Liberia. What a Christmas gift this will be for so many families.

There are 20 names of Willoughby children serviced by the Salvation Army on the cloister tree. These "angels" give you hints of possible gifts you may purchase. Please return unwrapped gifts no later than Thursday, December 5.

During the December 5 Willoughby tree lighting, we will be selling hot dogs, chips and water with the profits going to our Food Pantry.

A Noisy Collection will be held on Sunday, December 29, for Forbes House in Lake County. We heard about their life-saving work to protect the abused during our November Mission Moment.

Opportunities are available to support Project Hope Lake County in December. On December 7 at 7 pm there will be a night with the Harlem Globetrotters at Lakeland Community College. Project Hope is also sponsoring an Open House on Friday, December 13, 10 am to 12 noon.

Have a blessed Christ-centered Christmas! If you are interested in being on the Mission Committee, our next meeting will be Thursday, January 9, at 6 pm in the Parlor.

## Stewardship Update

Even though our fall stewardship campaign is coming to a close, stewardship goes on all year. We hope that during this year's campaign you saw things that encouraged and excited you. We are seeing positive signs of growth in the Church. The transforming message of Christ is being spread. Thank you to all who have turned in estimated giving cards. We have already received giving estimates that total 94% to last years total estimates, with 20 fewer pledges received so far. If you have not yet turned one in, it is not too late. We still have quite a ways to go to match our budget. You can still turn estimate cards in at the church office or you can simply contact our Church Administrator, Julie Galicz ([juliegalicz@gmail.com](mailto:juliegalicz@gmail.com)) and let her know how you hope to support the Church in 2020.

There was a great turnout for the Women's Ministry Paint-A-Canvas night on November 16. We have some very talented artists among us! Watch for the next Women's Ministry event and mark your calendar for the Spring Women's Retreat on April 18 and 19 in 2020.

Missed a sermon? Catch up by listening to sermons on our website.

## You Are Invited!

You are invited to the Bramley/Madden-Wright wedding here at WUMC at 2:00 pm on Saturday, December 7. Rebekah Bramley is John and Wendy Bramley's daughter.

## Who's Who at WUMC By Pastor Hazel

The Norris Family started attending WUMC in the early 90's after moving to Willoughby in 1989.

Pat and Tom were born in the mid-Ohio Mansfield area, meeting in the summer of 1967 at Dairy Land, a dairy queen, where they both worked as carhops. Pat definitely raked in more tips than Tom. They were married in August of 1970 at First English Lutheran Church in Mansfield and moved to East Cleveland in September. Pat was an administrator for the County Board of Education, and Tom was an engineering student at Case Tech. Pat was a graduate of Spring Arbor College (Free Methodist) and Ohio State University with an MA in History looking for a social studies teaching job in a NE Ohio market saturated with football coaches.

Tom became a Test Engineer at the American Gas Association Labs in Independence, and Pat began teaching at the Willoughby Tech Center in 1973, then North in 1998 where she taught

high school English. They lived in Warrensville Heights for five years. Both continued their education in the evenings at Cleveland State throughout the early and mid 70's, Pat in Elementary and Special Ed certification studies and Tom in the Aerospace Engineering graduate program. Tom became a research engineer at General Electric, NELA Park, in 1978 when they moved to Cleveland Heights.

Both of their children were born at Booth Hospital in East Cleveland, Steve in 1980 and Diana in 1982. They were members of Bethlehem Lutheran Church in Cleveland Hts.; Steve and Diana were baptized there and Pat and Tom were active in church service and leadership. After six years they moved across the street to Euclid Avenue Christian Church (DoC) where they remained active members until 1991. They both taught youth Sunday School, chaired committees, served on council, participated as Deacons and prior to moving to Willoughby, Tom was on the board of Trustees. Both Diana and Steve had Pat and Tom as the troop and den leader in their scouting organizations.

Moving to Willoughby was a wonderful step for the family! Bigger yard and tons more activities for the kids in the community, schools and Fine Arts Center. As any Will-o-Bee-er knows, summer is baseball, softball and weekends of just plain fun! Not that Cleveland Heights didn't have those things, but in Willoughby you didn't have to look for them – they found you. Steve and Diana did fine in school (at least looking back) and after.

Steve teaches at Willoughby South, having earned an MS in Political Science and Doctorate in Education. Diana is an assistant principal in Katy Texas, with her MA and Doctorate in

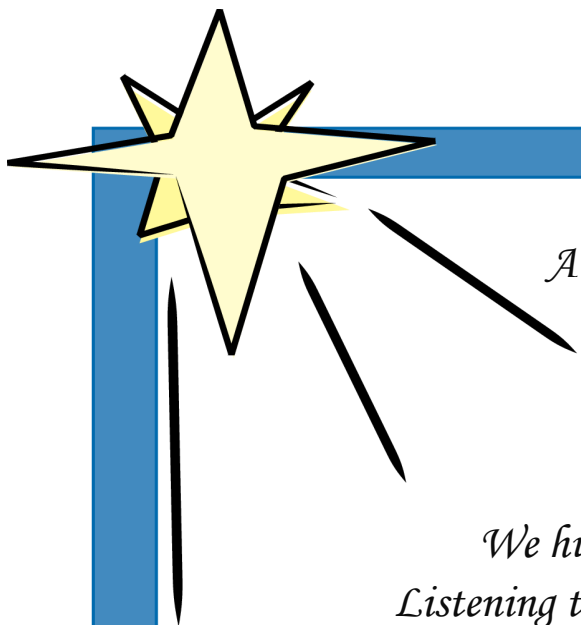

Education.

Tom gave up a paycheck to open a Management Consulting Company in Lean Six Sigma in 1999 growing his business to three dozen clients in twelve countries before winding it down in 2007. The day before Diana's Ohio wedding reception and his granddaughter, Emma's, birth, he was in Singapore hustling to connect to Cleveland on a flight that was cancelled. He arrived at 9:30 on the morning of both, and twelve hours later he was a grandpa.

Pat and Tom went on to be grandparents three more times with Steve and Jenn (Weber) bringing Emma (12) and Addison (7) and Diana and James Sarao adding Michael (8) and Shane (5) to the family.

Pat retired in 2004, freeing her up to make many trips overseas with Tom to sightsee and play whilst he worked, and then make him sight see and play in the evenings instead of watching TV in the hotels. In 2009 they opened Pixalls PhotoArt Gallery & Studio in downtown Willoughby, but finally, really retired in 2012. Well, almost. Pat is a sub at Andrews-Osborne Academy where Emma and Addy attend. Pat is an active Genealogist, tracing both her families back really far. Finding ancestors living in Ohio before statehood, and some fighting in the revolutionary war, she has been accepted in the Daughters of the American Revolution, First family of Ohio and several counties, with Tom riding on her coattails based on her research findings. It's not all dusty books, it's road trips, cemeteries and things in a middle of a field in a flood plain.

Pat and Tom will celebrate 50 great married years together next August, the Lord willing.

## *A Prayer for Christmas Day*

*Dear Father,*

*It's Christmas and  
We humbly kneel close to the stable,  
Listening to the low rustling of hooves in hay.  
Our breath is snatched up  
By the sight of the Christ child  
Lying in a manger.  
Basking in the light of the glorious star,  
We stand in awe and wonder.*

*No room?*

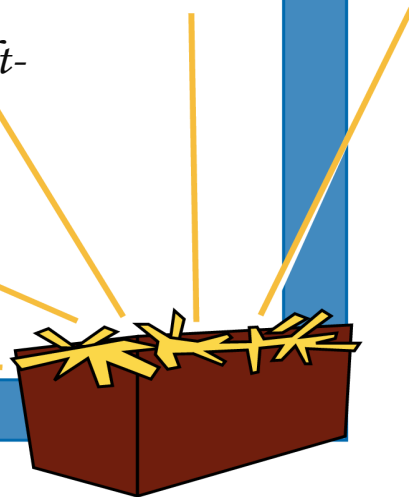

*How could it be!*

*Yet while we try to understand  
The inn with no space for God's Son,  
The rooms of our very souls are overcrowded  
And even the closets of our minds are outsourced.*

*Will You forgive us, Jesus,  
for making no room  
in the inns of our hearts?  
May we focus this day on the ultimate gift-  
Your love.*

*In the precious name of Jesus,  
Amen.*
