FROM THE PASTOR

Pastor Christopher Liberati
ChristopherL@WilloughbyUMC.org
440.942.9068

In the hustle and bustle of life, we can often overlook the little things that essentially make up the big things. One morning while I was watching Connie get Anthony ready for school, I noticed a few little things that made me realize the larger love at work. She was in the process of preparing his lunch when Anthony asked if she could make him a blueberry yogurt shake to take with him. Fortunately time was on our side, and out of love, Connie made him the shake that he desired. It got me thinking: what would I have done if I were in her shoes? Would I be so quick to embrace this little request? Would I brush it off for lack of time?

From there I started to think of all the little things that Connie does for us out of love: Her tireless pursuit of keeping the house clean and organized, which by the way is a fulltime job with me and Anthony around. Even if she beats me to bed, she always turns down my side of the bed for me. Her willingness to put up with my corny sense of humor. She presses our clothes so that both Anthony and I can look good as we walk out the door. She has hot cocoa ready for us when we come inside after playing out in the cold. All of these beautiful little things add up to the overall love that she has for us.

Some of these things can be so little that they can often be overlooked or forgotten about. Worst of all, they can be discounted, diminished and even expected. Matthew writes, "The kingdom of heaven is like a mustard seed that someone took and sowed in his field; it is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches." (Matthew 13:31-32)

My grandmother has been gone for quite some time. I will never forget the love that she had for me and our family. As I reflected on the little things that Connie does for Anthony and me,

I am reminded of what those little things grow to be. They become the tree of love that allows husbands, children and even grandchildren the opportunity to nestle in the branches of love.

As for my grandmother, one of the little things that she would always do for me, out of love, was to make a peanut butter and banana sandwich with the crusts removed. This was quite an act of love considering nothing went to waste in her house. I can't recall what she did with the crusts, maybe she saved them for bread pudding. It doesn't matter really; what matters most is that I realize it was out of love.

May you realize and appreciate the little things in life and recognize them as acts of love. May you always sow seeds of love in the lives of those around you. As you do, may you also come to realize the little things in life that add up to the love that abounds in Jesus Christ.

Praying that you see the little things as part of the larger love that God has for you,

Pastor Christopher

Who's Who at WUMC By Pastor Hazel

Meet the Zaucha Family
(pronounced ZA'ca)–

Stephen and Abbey met in August of 2004 in upstate New York while Stephen was stationed at Fort Drum and Abbey was staying with a friend whose husband was deployed to Afghanistan. Stephen was born in Euclid and grew up in Eastlake. He attended Eastlake North and Cleveland State University, earning his Bachelor of Science in Civil Engineering in 2002. After college, Stephen joined the Army in 2003 and attended basic training at Fort Jackson, South Carolina, Officer Candidate School at Fort Benning, Georgia and the Engineer Officer Basic Course at Fort Leonard Wood, Missouri before arriving at his first permanent duty station at Fort Drum, New York. Abbey was born in Manchester, New Hampshire. After graduating from Memorial High School in Manchester, she moved away from New Hampshire and lived in Vermont, Massachusetts, and

Mississippi, before ending up in New York in 2004. It was at this time, that Abbey and Stephen first met and decided to get married.

They were married in July of 2005 at Fort Drum, New York prior to Stephen's first deployment to Afghanistan. During Stephen's deployment, Abbey was a volunteer with the unit Family Readiness Group (FRG) which kept all the spouses connected to what the unit was doing while deployed. Abbey also ran a small baking business, providing delicious baked goods to the spouses and family members of the FRG. Upon returning from Afghanistan, Stephen was given orders to attend the Engineer Captain's Career Course at Fort Leonard Wood in 2007 and, with that, Stephen and Abbey left New York for Missouri. During their time at Fort Leonard Wood, Abbey and Stephen received the wonderful news that Abbey was pregnant in the fall of 2007 with their oldest daughter, Emma, being born in May of 2008. Upon completion of the Engineer Captains Career Course and a tour of duty as a Small Group Instructor, Stephen received orders to Fort Bragg in the spring of 2009.

On the move again in the spring of 2009, Stephen, Abbey, and Emma packed up their home at Fort Leonard Wood and moved to Fort Bragg, North Carolina. Prior to leaving Fort Leonard Wood, Stephen and Abbey were again given the wonderful news that Abbey was pregnant. This news was tempered, though, by the fact that, within two months of arriving at Fort Bragg, Stephen deployed to Afghanistan for the second time. During this time, Abbey again volunteered with the unit FRG and continued her business of baking delicious treats for the other spouses in the unit. In December of 2009, Stephen and Abbey's second daughter, Charlotte, was born.

Stephen was fortunate enough to be able to be home for the birth of Charlotte as well. After returning from Afghanistan in the summer of 2010, Stephen spent two more years in the Army before resigning his commission in 2012. At this time, Stephen and Abbey moved to Willowick, Ohio and began the next chapter of their life.

Now living in Ohio, Stephen began working in manufacturing as a production supervisor for Zircoa, Inc in Solon while Abbey stayed at home with Emma and Charlotte. Over the years, Stephen and Abbey have tried out multiple churches, but none felt right for them. Then in the spring of 2019, Abbey was introduced to the Willoughby United Methodist Church (WUMC) and, as with Goldilocks, this church was just right, and Stephen and Abbey have been attending ever since. Abbey also had the privilege of being Baptized in the church by Pastor Christopher.

As stated above, Stephen and Abbey have been blessed to have two daughters. Emma is 11 years old and is a sixth grader at Eastlake Middle School, and Charlotte is 10 years old and is a fourth grader at Thomas Jefferson Elementary School. Charlotte enjoys softball and is currently being taught by Abbey how to sew. Charlotte has, so far, been able to sew a new sweatshirt for herself. Emma enjoys reading, will be starting softball this year, and will be learning to sew as well. Emma and Charlotte had the opportunity to attend VBS at WUMC last year and had a wonderful time.

Stephen, Abbey, Emma, and Charlotte have been blessed to be members of WUMC and are continuing to build relationships within the church and with God.

What is Zoe Empowerment?

Epiphanie Mujawimana is a woman from Rwanda who watched how difficult it was for orphans who depended on well-meaning relief organizations to survive. She noticed that when the organizations left the people were in worse shape than before because they had become dependent on handouts and did not know how to make their way without them.

Together with some other social workers from Africa, Epiphanie put together a program for empowerment, where orphans are gathered into a peer group and work and learn together for three years. The empowerment model goes against the grain of traditional charitable giving practices. Instead of handouts, orphans receive training and resources specific to their personal needs giving each child the opportunity to implement the lessons learned in the program for themselves while being held accountable and encouraged by the empowerment group. By promoting independent decisions, with the support of a community, the confidence and dignity gained is sustainable well beyond the three-year program that Zoe implements. Zoe graduates continue to lift the entire community by conducting businesses, sharing their faith and skills and knowledge, and reaching out to support others.

At WUMC we have been committed to this empowerment program for about 15 years in partnership with several other churches as the Zimbabwe Connection. For example, in August we sell sweet corn for a Zoe fundraiser. This Lent, the Zoe orphan empowerment group that we support will be the focus of our Lenten giving. Each week we will learn a little more about how we share Christ's love through supporting our ZOE orphan working groups.

One of Epiphanie's coworkers, Barbara Mattsanga, is coming to Ohio and **will be speaking at our church at the 8:00 am service on March 8.** She will then go to Willoughby Hills UMC to speak at their 9:30 and 11:00 services.

Please take this opportunity to learn more about the Zimbabwe Connection. You may also learn more at zoeempowers.org or by listening to Gaston Warner's TED talk about Zoe Empowerment.

About 200 people have come through this program since it was started in 2014, and this will be the 4th session to meet at WUMC. Many in our congregation have come through the program and found help.

LENT

What is Lent and why does it last forty days?

Lent is a season of forty days, not counting Sundays, which begins on Ash Wednesday and ends on Holy Saturday. Lent comes from the Anglo Saxon word *lencten*, meaning "spring." The forty days represents the time Jesus spent in the wilderness, enduring the temptation of Satan and preparing to begin his ministry.

Lent is a time of repentance, fasting and preparation for the coming of Easter. It is a time of self-examination and reflection. In the early church, Lent was a time to prepare new converts for baptism. Today, Christians focus on their relationship with God, often choosing to give up something or to volunteer and give of themselves for others.

Sundays in Lent are not counted in the forty days because each Sunday represents a "mini-Easter" and the reverent spirit of Lent is tempered with joyful anticipation of the Resurrection. <http://ee.umc.org/what-we-believe/what-is-lent-and-why-does-it-last-forty-days>

GOD
so loved
the world that he gave
his only son,
so that everyone who
believes in him
won't perish
but will have
eternal life.

2nd Annual Chili Cook-Off

Congratulations to Teresa Lowe, winner of our second annual chili cook-off! Teresa won the coveted WUMC Chili Ladle with her "Momma's Country Chili." She couldn't be there because one of her kids was sick so three of her children—Deanna, Chris and Jaonna – brought the prize-winning chili for her. The event was well attended and there were several chili entries. A good time was had by all! Watch Facebook and the bulletin for our next *What's Up* gathering.

Did You Know?

Did you know that the Old Testament was written to prepare people for Jesus the Messiah? The first four books of the New Testament are called the Gospels – or Good News. They are Matthew, Mark, Luke and John. They tell the story of Jesus while he was living here on Earth as Emmanuel – God among us. (The fancy word for that is “Incarnated” -- God living as a human).

The rest of the New Testament tells about how the Church began after he ascended into heaven and was formed to function as the Body of Christ.

Throughout the Old Testament we find stories that give part of the picture of what the Messiah was going to be like. For example every feast that God ordained was intended to be a picture of Christ. Unfortunately our culture is so different from that of the Israelites that most people don't have a clue about what those feasts were designed to tell us.

This Easter on Maundy Thursday (April 9) - the day that celebrates the Last Supper - we will celebrate the Passover feast (Seder) and explain how that Jewish holiday gives a picture of Jesus. You won't want to miss this!!

Join us at 7:00 pm on Thursday, April 9 for a real treat!!! Letting us know you are attending will help us know how many to prepare for and would be greatly appreciated. But you will certainly be welcome even if you decide to come at the very last minute! Email Julie Galicz at juliegalicz@gmail.com or call the office at 440-942-9068.

UNITED METHODIST CHURCH

Mark your calendars for Tenebrae

Good Friday is April 10. That evening at 7:00 pm we will once again gather in the Sanctuary to worship using a service called Tenebrae.

Tenebrae means darkness. We will tell the story of the passion of Christ through word and beautiful music. As we move through the events of that week, we will extinguish a total of candles.

If you have never experienced the moving Tenebrae service before, you will be moved by how much more Easter will mean to you afterwards.

Plan to attend and bring a friend.
